

High Peak School & Sport Partnership

Summer 2017

Wildcats Programme 2017

At the beginning of the year the Football Association and SSE teamed up to launch SSE Wildcats - designed to inspire girls aged between 5-11 to be involved in football. The partnership was approached by Derbyshire FA as a 'safe pair of hands' to be one of the areas to receive funding. In turn we've worked with Brownie and Rainbow Groups that put their names forward to undertake fun training at various locations across the High Peak. Many girls came along with little expectations – they hated football and were saying 'it's a boy's game' – but with our inspiring FA coaches Zoey Shaw and Jen Gray that attitude didn't last long. Over the weeks the

6th Buxton Methodist Brownies

117 girls built up skills, confidence about using space and all without realising it was leading to simple small sided games. The celebration event that was hosted by Chapel-en-le-Frith High School and meant that all the groups could get together in a fun and relaxed way – that was 63 girls along with their Rainbow/Brownie leaders and parents. On offer were different activities to get involved in whilst mixing with other groups of children. At the end of the event we gathered everyone together to hand out goody bags and certificates. We also had a banner competition that Angie Harper (Women & Girls Officer at Derbyshire FA), Zoey and Jen judged – with the winning entry Chapel Rainbows! We hope this might be the start of other funding possibilities in the future! Finally thanks are called for to the following: UK Sports Coaching for filling in at one session and to Doug and his team from Buxton Juniors FC for their great support at the event – you really did pull out all the stops.

Chapel Rainbows winning design

Inspiring the Next Generation

This term the Young Ambassadors from the Aspire 2B Leadership Academy from Chapel, New Mills and Buxton Community School took their assignment, 'Aspire 2B Active' to a neighbouring Primary School. The Young Ambassadors practiced their public speaking skills as they took class and key-stage assemblies, answered questions and led active sessions in assault courses and class 'shake ups'.

Pupils from Chinley Primary, Buxton Juniors and New Mills primary schools asked questions and joined in the fun set by the Young Ambassadors. Being active is part of a mind-set that, as a partnership, with the schools, we would like to see across the entire High Peak. The secondary school Ambassadors are perfect role models for the primary pupils and can deliver that message in a way that captivates the younger children. 'Activity can be squeezed into most things in life, its fun and can take you to exciting places!'

Perhaps a daunting task for the Young Ambassadors initially, this was a fantastic experience for all involved and great for the Young Ambassadors CVs!

Mr Lambert from Chinley Primary: *'It was an absolute pleasure to have them involved with our project and we would definitely invite them back again. They were a credit to themselves and to Chapel High School.'*

Yr 5/6 Key Steps—New event for 2017

On Friday 23 June, 10 schools from across the High Peak Area gathered at Glossop Leisure Centre for the first ever Yr 5/6 Keysteps Gymnastics Competition. At times the atmosphere could be cut with a knife. Gymnastic events are quite different to our other competitions and festivals – routines have to be remembered, participants have to be precise so much concentration is required. Ann Tracey, Head Coach at Glossop Gymnastics Club, commented on how high standards had become and this was reflected in the closeness of the scores with 0.8 points separating first and second place. Comments were made that pupils, despite not coming near the medals, were truly inspired at the performances. In third position were St Lukes, in second place with 141.2 points were Hayfield with Padfield in first place with 142 points (pictured right). Taking the Spirit of the Games Passion Award were Buxworth.

Thank you once again to Ann Tracey and her excellent leaders from Glossop Gymnastics Club and we look forward to next year.

Mini Tennis—Huge Fun!

The High Peak Final of the Mini Tennis were held at Pyegrove Tennis Club (Glossop) on 27 June. 12 teams of Yr 3/4s from across the High Peak took part in this increasingly popular event.

It was a great source of inspiration to see the younger children competing for their individual schools and seeing some at the start of their journey.

In third place were Padfield, second were Dinting with New Mills taking the top spot (pictured left). Spirit of the Games Award for Determination went to Gamesley. Thanks to Mark Beaver – Head Tennis Coach at Pyegrove Tennis Club, the club itself for letting us use the facilities and finally Mr White and his team of leaders

from St Philip Howard – umpiring isn't easy – they undertook the roles with confidence, were consistent with their approach and made the children feel at ease.

St Philip Howard leaders enjoying the experience

Quad Kids Final—Couldn't have been closer!

Dodging the rain showers was all part of the fun on 22 June at the High Peak Quadkids Final on Brown Edge Road fields (part of St Thomas More School). Leaders from St Thomas More School were, as always at this event, there to support by scoring and keeping all the children motivated and ready for their next challenge. It was a close drawn contest, with just 1 point between first and second place. In the bronze medal position were Hayfield Primary, in silver position with 1696 points were Harpur Hill with Fairfield taking the Gold with 1697 points (pictured right). Spirit of the Games Award for Teamwork went to Hayfield.

We would like to personally thank Mrs Barnes & Mr Gray from St Thomas More School in their support of the partnership, the leaders who were all amazing and last but by no means least our own Mr Stephen Finney from High Peak Athletics Club.

Bikeability has been in full swing again this term with Balanceability, Bikeability Level 1, 2 & 3, running at schools all over the High Peak.

Pictured here is a group of children on a Bikeability Ride near Great Hucklow.

Boys Kwik Cricket Final

15 June saw the HP Final of the Boys Kwik Cricket hosted by Glossop Cricket Club. Before we give out the scores there's a few thanks

To **Glossop Cricket Club** and in particular **Roger** who has tirelessly supported the competition for more years than we care to remember! Also a **big shout out to Ken** and his roller too - he marked up and got the playing areas impeccable.

To the **6 young leaders from St Philip Howard** - they umpired every match - all the primary schools in attendance along with members from the club were really impressed - a real credit to their school.

Taking the Spirit of the Games Award for Respect was Harpur Hill. And the winners were: Gold - Hayfield, Silver - Burbage. Bronze - Dinting.

Winning Hayfield team along with leaders from St Philip Howards and Roger Mays from Glossop Cricket Club

Girls Kwik Cricket Final

After a few challenges, particularly the weather, we overcame everything to have a fantastic day of girls sport on 8 June. Teams from all over the High Peak came together to compete in the Girls Kwik Cricket Competition. The semi finals were extremely close and any of the 4 school teams could've gone on to represent the High Peak at the county finals. **Winners on the day were Harpur Hill with Hayfield taking the runners up position whilst Padfield were 3rd and Burbage in 4th.**

The Spirit of the Games Award went to 2 schools Furness Vale and St Charles for their true 'sportsmanship' on the day and we're so proud of the support you gave us when the draw had to be significantly changed.

And finally..... these competitions can't take place without the support of clubs and volunteers so a huge thank you to Hayfield Cricket Club (the centre for girls cricket in the High Peak).

Furness Vale with their Spirit of the Games Award

Table Tennis Superstar!

Chinley Primary School Table Tennis star Joseph has sealed a silver in the U11 individual event at the inter regional Table Tennis Championships and a Team Gold representing the East Midlands!

He then went on to secure a Bronze at the national championships in the U10's age category.

A fabulous achievement representing lots of hard work - Well done Joseph from all at HPSSP!

Derbyshire School Games—Cancelled

We were all really disappointed that the school games day this year had to be cancelled due to the awful wet weather.

Boccia did go ahead indoors and some of the other events have been re-arranged—well done to all the teams representing the High Peak—you all did an awesome job and we are very proud of you all.

Harpur Hill's Boccia team came 2nd in the County Finals

Hayfield Boys Kwik Cricket came 3rd in the County finals

Hayfield Girls Kwik Cricket representing HP at County level

The High Peak dominated again at the Cyclo-Cross County finals with Hope Valley College winning the secondary competition and Buxworth Primary coming 2nd in the primary competition - well done all.

MAP QUEST—PAVILION GARDENS

On 20 June a whooping 167 children from 14 different schools across the High Peak took part in our Map Quest event at Buxton Pavilion Gardens.

Thank you to Outdoor Genius for organising the event so well and to the schools that came in fancy dress—you looked brilliant!

KS1 Winners:

- 1st—Superheroes—Earl Sterndale
- 2nd—Kites—Peak Dale
- 3rd—Eagles—Peak Dale

KS2 Winners:

- 1st—Golden Cheetahs—Buxton Juniors
- 2nd—Tintwistle Tornadoes
- 3rd—Burbage Bullets

Dinting Primary School—we can count on them to always have amazing fancy dress

A final note from Dawn

I wanted to start the annual round-up by letting all primary schools know of some exciting news from Justine Greening, Secretary of State for Education - she has announced the following....." I am today confirming our commitment to double the PE and sports premium for primary schools. All primary schools will receive an increase in their PE and sports premium funding in the next academic year" – this is hot off the press so we don't know what it looks like yet but I'm sure you'll all agree it's great news for PE, School Sport and Physical Activity. We will be working hard to look at what this means in terms of Ofsted requirements and what the reporting mechanism will be.

So, without further ado - here are some headlines from this academic year:

- 6 CPD Opportunities resulting in 56 teachers and TAs being trained.
- 46 partnership level competitions/festivals held made up of:
 - 15 different sports.
 - 4 Infant Cross Curricular Festivals.
 - 2 assault courses.
- Bikeability (Balanceability - 752, Level 1 - 540, Level 1/2 - 704, Level 3 – 49)
- Aspire2b Mini Leaders trained – 340
- Secondary Leadership Academy – >230

School Games Mark this year has been a challenge as the deadline has moved forward by 12 weeks – this will probably mean that fewer schools apply given the tight timeframes. Currently we have 4 schools bronze accredited, 7 schools silver accredited and 10 schools gold accredited. We will announce the full list of schools in September after the deadline which is 28 July.

Team HPSSP would like to take the opportunity to say thank you to all our schools for their amazing support over this academic year. We would love to work more closely together on social media next year, so please like our Facebook page and share your school achievements and activities to our page.

Finally, have a great summer and see you next year where it all starts again!
