

### Writing

I will write independently using a capital letter and a full stop in my sentence. I will begin to add power words into my writing to add some description. I will learn how to re-read the sentences I have written to check they make sense.

### Science

I will learn about a variety of objects and the materials they are made from. I will identify some of the different properties a material has and will be able to group materials together according to their properties. I will complete a science investigation about floating and sinking and will learn about the importance of recycling.

### Art

I will learn how to weave materials using a weaving board and will create a 'sea themed' piece of work. I will use clay to create a fish and will paint it carefully. I will complete different pieces of art using different methods such as using charcoal and chalk, painting and drawing patterns.

### Design Technology

I will design and make a pirate hand puppet using binker and felt. I will learn how to sew materials together using simple stitching. I will learn how to stick material together and will be able to create templates and cut shapes out carefully. I will evaluate my finished piece of work.

## On the Ocean Waves!

Mrs. Adams Year 1

Autumn Term 1

2021-2022

### Geography

I will learn where the 5 oceans are. I will learn the 4 compass directions and use them to direct. I will learn how to read simple co-ordinates on a map. I will create a Treasure Island map and add a key. They will learn what human and physical features are and will be able to identify them on a map.

### Computing

I will learn what a computer is and how it helps me to learn. I will learn about the internet and how to keep safe online by keeping passwords and personal information secret. I will be able to recognise the SMART rules for internet safety.

### History

I will learn about who pirates were and what they did. I will learn about some famous pirates, such as Grace Darling and Blackbeard. I will learn about famous explorers such as Christopher Columbus and Sir Francis Drake and will compare Drakes voyage around the globe over 400 years ago and compare his journey with Ellen McArthur's in 2005.

### Character Education

I will learn the importance of my eyes and ears and will learn how to protect them. I will think about ways people have helped me and how I have helped others around me. I will think about ways I have helped people by cheering them up or making them happy. I will learn about what I can achieve when I work with others. I will think about ways I can work with others to achieve something bigger and better.
