Friends of New Mills Primary School

Dear Parents & Carers

We need you, please can you help.

For many years now the PTA of New Mills Primary School has striven to make a difference to the children who attend our great school. We have worked hard to balance supporting learning and also helping the children to have fun whilst at school. Due to financial cuts within the education sectors all the funds raised by FONMPS will become even more crucial to the school and our children.

Did you realise that without The Friends of New Mills Primary School YOUR children would not be able to...

- Go on subsidised school trips with their fellow class mates
- Enjoy the new sports equipment
- Have new and exciting equipment in the playgrounds for use at playtime
- Enjoy their fully paid for music lessons
- Take part in puzzle, maths and science days
- Use the up to date Maths equipment which is a great learning tool

The above are all just some of the PTA fundraising events and initiatives

They would also be unable to take part in

- Halloween & Summer Disco's
- Having fun at the Christmas & Summer fair
- Take part in the spooky bake off
- Show their enterprise skills at the Spring Fair
- Attend the year 6 leavers disco

As a small group of parents, we are struggling to run and plan events to raise essential funds for all our children, unfortunately we will be unable to carry on at this pace for much longer.

We completely appreciate that parents and carers are trying to balance working and family life, and we are thankful for the parents that help out when they can, but if we had more help it would lighten the load and enable us to carry out more fundraising to help the children. Can you spare us even just some of your time?

Continued/

We have recently held 2 events - a family quiz night and a Sip and Shop night. At both of these events we had a maximum of 6 parents/family's, which seems extremely low as we currently have in excess of 190 pupils in school.

We are all a member of the Friends of New Mills Primary School so we need your help and support. Please be part of FONMPS before it's too late. It won't be us that loses out, but the 194 children we support through our fundraising.

If you would like any further details or information on the ways you can help please do not hesitate to contact.

Yours sincerely

The Friends of New Mills Primary School.

C. Whetstone
