Dear Parent/Carer

In an attempt to remove all cash and cheques from school we are asking all parents to only use our e-payment method to pay for **dinner money, trips etc.** This can be done online using a very secure website called ParentPay.

Already have a ParentPay account?

If you already have a ParentPay account, either with our school or another ParentPay school, you can simply login to that account and add your other children via the **Add a child** tab on your home page.

New to ParentPay?

In September you will be given a secure online account, activated using a unique activation username and password; you will be prompted to change these and to keep them safe and secure as your Username and Password for future logins.

If you have two or more children at a ParentPay School, you only need to activate one account to create your `main account` and then add your other children via the **Add a child tab** on your home page.

Please visit www.parentpay.com to familiarise yourself with the website and we will give you your Login details in September.
