HPSSP host the County Quad Kids Finals at Chapel High

We were very pleased to host the county level Quad Kids final at Chapel High School at the end of last term. 5 teams from across the county competed at short notice, due to the weather sadly cancelling the Derbyshire School Games event.

All the teams competed at an exceptionally high standard and the scores were very close throughout the event. We are very proud to announce the winning team were Fairfield Junior School representing the High Peak (pictured right).

We'd like to say a huge thank you to Chapel High School for their support at short notice. The staff were incredibly helpful and the leaders were exceptional— Thank you Chapel High.

If you would like any help or advice on how to spend the additional PE & Sport Premium we can visit your school, assist with an action plan and discuss the best options available to ensure your money is spent to improve the quality of PE and sport you offer. The DfE advice the money must be spent on:
